

REMARKS/ARGUMENTS

Claims 1-7 and 11-17 are active. The limitations of Claims 13 and 14 have been placed in Claim 11. Claims 15-17 find support in Claim 1 and merely break out the different R1 groups already described in Claim 1. No new matter has been added.

The Applicants thank Examiner for indicating that this case would be allowable if the limitations of Claims 13 and 14 were placed into Claim 11. The claims have now been so amended.

Conclusion

In view of the amendments and remarks above, the Applicants respectfully submit that this application is now in condition for allowance. An early notification to that effect is earnestly solicited.

Respectfully submitted,
